Dear Corinne Brooke Ellis:

Congratulations! We are excited to inform you of your acceptance to the Georgia State University community. You are now an elite member of one of the nation's leading research universities, and we look forward to welcoming you to this special place in the heart of Atlanta.

Your admission is to the Col of Health & Human Sciences to pursue a major in Criminal Justice pending your acceptance to the Criminal Justice by audition. Please note that your acceptance is contingent upon successful completion of the college-prep curriculum and proof of graduation with a college-prep diploma. Please have your high school send this as soon as possible after graduation since it must be received before you enroll at Georgia State University. Your acceptance is valid for the Fall 2010 semester only; should you not attend, your documents will remain on file for one year.

You are a resident and will have cheap tuition.

In order to assist you in making a smooth transition to Georgia State, we have enclosed a copy of our Accepted Student Brochure. This brochure will familiarize you with more of what Georgia State University has to offer and give you tips for successfully navigating the enrollment process. You may also access Next Steps information by visiting our website at <http://www.gsu.edu/admissions> and clicking on the High School Students link. We encourage you to immediately activate your Campus ID and official email in order to stay connected with Georgia State University.
